

DARE TO BE THE BEST

EAST LONDON INDIVIDUAL TABLE TENNIS CHAMPIONSHIPS

On Thursday, 4th February, five boys from Rokeby School took part in the East London Schools Individual Table Tennis Championships held at Raines Foundation School. 200 players took part in the competition consisting of U13, U16 and U19 boys and girls events.

The U16 Boys category was by far the strongest category with each group being very competitive. Representing Rokeby from Year 9 were Hamza Sheikey and Nilesch Panchoo and from Year 10 Fabio Ramos. All three boys produced fantastic performances in the group stages and had heads turning in the hall with some of the scintillating rallies they were producing. Nilesch and Fabio managed to progress through their group and into the quarter finals, where they were faced by the number one seed and eventual runner up and the number two seed and eventual winner of the competition. In the early stages the boys asked some questions of the top seeds however in the end they proved too strong. A valiant effort from the boys and, with two more years left to compete in this age group, they are well on their way to making the final places.

It was a great experience for the Year 7 boys, Jahzion Quammie and l'Zac Clarke, who competed in the U13 boys' event and got to taste some of the competition. This will hopefully make them hungry to practise and come back next year to take on East London.
