ROKEBY RECORDER

DARE TO BE THE BEST

Rokeby Hopefuls to Follow in Famous Footsteps

Two members of our year 11 football team are hoping to follow the pathway of former students who became professional footballers. The best known of the many from the school who made the grade are; Vince Hilaire (Crystal Palace and Portsmouth), Mark Stimson (Newcastle and Portsmouth), Mark Robson (Charlton and West Ham), Linvoy Primus (Charlton and Portsmouth) and Micah Hyde (Burnley and Watford).

Calvin Ughelumba and Daniel Disubi are both currently attached to club academies and are hoping to secure long term deals to sign professional contracts during this season.

Calvin is currently at Leicester City and Daniel at Queens Park rangers in the final year of a three year contract. Daniel is also a part of the England schoolboy squad.

Daniel said *"it is a privilege to play for both QPR and England but I know that I must keep my feet on the ground and work hard this season. I also have my GCSEs this year so I have to work hard in school too because if I don't get signed this season I will need something to fall back on."*

Jack Petchey Award Winner

Terron Asare-Kwaah is our Jack Petchey Award winner for September. This month the award was given to represent one of the school's values, respect. Terron was nominated by Ms. Newman who said, *"Terron is an incredibly respectful young man towards adults and his peers. He is extremely polite, confident and articulate. He is a great ambassador for Rokeby School and a very worthy Jack Petchey respect reward winner"*.

Well done Terron! Daring to be the best.

Who will be our winner for October?
