The year 10 Btec Sports students recently organised a futsal tournament for our local primary schools for students in year three and four. As a requirement of the Btec course they each fulfilled many roles; coach, referee, assistant referee, time-keeper, recorder and competition administration.

Eight schools entered the competition coming from, Kaizen, Keir Hardie, Ravenscroft, Rosetta, Salisbury, Scott Wilkie, Sir John Heron and Tollgate. After a quick warm up the competition began with games being played in a round robin system where all teams get to play each other.

With plenty of goals being fired in on both pitches, it was a closely fought tournament causing much excitement on the side-lines where the spectators cheered their teams on. Rosetta triumphed at the end of the day, with Scott Wilkie coming second and Salisbury third. At the end the year 10 students congratulated all of the teams for making it such a good competition and handed the cup and medals to the winners.
