

Brilliant Club Graduation

Attending the Brilliant Club was an awesome experience for us, which has helped us to make our expectations for ourselves higher so we can raise our achievement in school. By using this final assignment we had to import all of our knowledge into our other lessons. For example in English we could use all the 'Bristlebot' with our tutor and make the 'Bristlebot' run under our own command by using codes. Once we had finished building the 'Bristlebot' we had to write a final assignment that was submitted on a platform known as the VLE (Virtual Learning Environment), this was so we could contact our PhD Tutor if we needed help. The Final assignment was graded as a university grade, key stage 4 grade or a key stage 3 grade. After we wrote the final assignment we graduated at King's College London, which gave us the sense of being a student there and inspired me personally to go on and get to university when I have finished at school. The Brilliant club has personally opened a doorway in my life leading me to successes where I now will always try my best to achieve in all subjects. This has shown me what I can do and what I cannot do.

Year 7 Building Bridges

On Monday 1st February 2016 all of year 7 took part in building bridges. They had to work in a team to build a

Celebrating World Book Day
Come along to the Rokeby book swap. Donate a book from home to the library and collect an invitation to the book swap.

All students and staff are invited.

Wed, 10th Feb
 Rokeby Variety Show

Thurs, 11th Feb
 DEAR Time P5

Fri, 12th Feb
 Break for half-term

Mon, 22nd Feb
 Return to school

Lend Lease Challenge Finals

Four Year 10 Geography students Bassam Ahmed, Harees Azam, Dalib Omar and Mohammed Nasim were selected to represent Rokeby School in the annual Lend Lease Challenge. Their focus on the redevelopment scheme was 'Society and the Environment'. They impressed the judges with their ideas on how the East Village in Stratford, could be further developed so that the locals, workers and tourists alike could benefit from such a sustainable environment.

ATTENDANCE & PUNCTUALITY

Did you know:

90% attendance = 1/2 day missed every week.

90% attendance over one school year = 4 whole weeks of missed lessons!

How is YOUR tutor group doing?

Congratulations this week go to:

90 with the best attendance at 100%
 &

10K with the best punctuality at **99.2%**
