ROKEBY RECORDER

DARE TO BE THE BEST

STUDENTS SPEAK OUT

Could you think of anything more nerve-racking than having to give a speech to your peers? Having to share your thoughts and feelings with those people who may judge you and might well be prone to laugh? Having to share your intimate thoughts and feelings? This was the experience for set 1 English in year 10 and it was an experience that they came through with flying colours.

The Jack Petchey Speak Out Challenge is an event run for 28 students who are challenged to write and deliver a heartfelt speech with just a few hours training. Challenge is the right word,

but our year 10 boys were undeterred. The boys were hard working and committed. Their speeches were heartfelt and moving and by the end of the day I had sat alongside the Jack Petchey Judge, Caroline, and heard speeches on everything, from the importance of bees and strawberries to the importance of failure in life. I was so proud of the boys that I was left speechless by their presentations. I cannot capture the wonder of it all - fortunately, you will be able to hear six of the best in the first year 10 assembly after the Easter Break!

STUDENTS MEET THE LORD MAYOR

20 Rokeby students who attended the 4th Livery Showcase Event at the Barber-Surgeons' Hall on the 20th of March, met the Lord Mayor and his Sheriffs as 29 Livery Companies of the City of London enthralled them with an impressive range of career opportunities in the trades, industries and professions they represent.

Apprentices, experienced craftsmen and professionals set out their stalls for an invited audience of over 450 students and their teachers from across London. The aim of the event was to give students an idea of the career paths and job opportunities there are without

necessarily following the university route. Students had a chance to talk to apprentices, under graduates and post-graduates as well as those who are more senior in their trade or profession in an informal setting while having some fun in taking part in challenges, practical activities and competitions.

This event was organised by Livery Schools Link (LSL), a volunteer organisation supporting education. LSL puts on events for schools and offers volunteering opportunities for members of the City Livery Companies.

Brought to you by the National Charity Partnership – a partnership between Tesco and registered charities Diabetes UK and the British Heart Foundation – together with Food Academy.

Are you looking for a family activity over the holidays? How about taking part in a lunch club at the Food Academy at East Ham Leisure centre? On offer will be communal cooking classes for parents/carers whilst children and young people can take part in organised activities focusing on healthy eating and exercise.

The Food Academy provides great cooking lessons and experiences for cooks of all levels and abilities. Having previously run a number of cookery courses for parents and students at Rokeby, we can vouch for their sessions! They are a great way of bringing people together and provide an opportunity to learn new cookery skills and how to implement long term healthy eating habits for you and your family.
