

English	Topic/focus	Resources	Assessment	Extended Learning Opportunities
Autumn 1	Private Peaceful – Michael Morpurgo	Private Peaceful	This will mirror the GCSE Literature Paper 2 exam: How does Morpurgo present a character/theme in the novel Private Peaceful?	WWI research. Letter writing.
Autumn 2	Poetry: Taking a Stand	A section of poems from a range of poets including: Maya Angelou, Benjamin Zephaniah and Carole Satyamurti	Compare how two poets communicate their viewpoints.	Researching the poets and their background. Research about human rights and moral issues.
Spring 1	Culture and Identity. Non-Fiction. (Language Paper 2)	I am Malala – Malala Yousafzai Maya Angelou Rosa Parks Meera Syal	This will mirror the GCSE Language Paper 2 exam: Writers' viewpoints and perspectives. Section A: reading Section B: writing	Homework booklet TBC
Spring 2	Romeo and Juliet  Talk to learn unit (1/2 weeks) during this term. Speech writing.	Romeo and Juliet by William Shakespeare. Film adaptations.	This will mirror the GCSE Literature Paper 1 exam: Read a given extract. Explain how far you think Shakespeare presents a character/theme in a certain way.	Contextual research: Shakespeare's life, women in 16 <sup>th</sup> Century, The Globe theatre.  Letter writing activities/journal entries.
Summer 1	Romeo and Juliet	Romeo and Juliet by William Shakespeare. Film adaptations.	This will mirror the GCSE Literature Paper 1 exam: Read a given extract. Explain how far you think Shakespeare presents a character/theme in a certain way.	Contextual research: Shakespeare's life, women in 16 <sup>th</sup> Century, The Globe theatre. Letter writing activities/journal entries.
Summer 2	Horror Genre and Creative Writing (Language Paper 1)	Frankenstein	This will mirror the GCSE Language Paper 1 exam: Explorations in creative reading and writing. Section A: reading, Section B: writing	Research Victorian ghost stories. Book reviews

Maths Set 1	Topic/focus	Resources	Assessment	Extended Learning Opportunities
Autumn 1	Index laws 2 Multiplying linear expressions Factorising expressions Changing the subject of a formula 1	Mymaths.co.uk Login:Rokeby Password:addition	Topic tests Weekly extended learning Assessing Pupils Progress Response tasks	<p>Maths club - Thursday F2 at 3pm English for Maths Tuesday F6 at 3pm Homework club Tuesday to Friday after school Termly literacy homework</p>
Autumn 2	Recurring decimals and reciprocals Percentage increase and decrease Reverse percentages	Mrbartonmaths.com	Termly assessment Weekly extended learning Assessing Pupils Progress Response tasks	
Spring 1	Angle problems Angles in a polygon Arcs and sectors Graphs of linear functions Quadratic graphs 2	Mangahigh.com  MathsWatchVLE Centre: rokebyschool Login: 'YOUR School login' Password: 'YOUR school Password'	Topic tests Weekly extended learning Assessing Pupils Progress Response tasks	
Spring 2	Order of operations Calculating with decimals Frequency diagrams The mean Cumulative frequency Box plots	MyMaths: for Key Stage 3:	Termly assessment Weekly extended learning Assessing Pupil's progress Response tasks	
Summer 1	Transformations Simultaneous equations with graphs Standard forms Pythagoras' theorem	Student Book 3C (Mymaths for Ks6) Paperback – 3 Apr 2014	Topic tests Weekly extended learning Assessing Pupils Progress Response tasks	
Summer 2	Loci Patterns and sequences Trigonometry 1 Bearings Ratio and proportion	ISBN-10: 0198304676	End of year Exam Weekly extended learning Assessing Pupils Progress Response tasks	

<b>Maths Set 2</b>	<b>Topic/focus</b>	<b>Resources</b>	<b>Assessment</b>	<b>Extended Learning Opportunities</b>
Autumn 1	Powers of 10 Factors, multiples and primes Estimating and approximating Circumference of a circle Adding and subtracting fractions	Mymaths.co.uk Login:Rokeby Password:addition	Topic tests Weekly extended learning Assessing Pupils Progress Response tasks	<p>Maths club - Thursday F2 at 3pm English for Maths Tuesday F6 at 3pm Homework club Tuesday to Friday after school Termly literacy homework</p>
Autumn 2	Dividing by fractions Decimals and fractions Percentage change Angle properties of a triangle Drawing straight-line graphs	Mrbartonmaths.com  Mangahigh.com	Termly assessment Weekly extended learning Assessing Pupils Progress Response tasks	
Spring 1	Adding and subtracting decimals Multiplying decimals Calculating averages Correlation Comparing distributions	MathsWatchVLE Centre: rokebyschool Login: 'YOUR School login' Password: 'YOUR school Password'	Topic tests Weekly extended learning Assessing Pupils Progress Response tasks	
Spring 2	Transformations Solving equations Unknown on both sides Indices and surds Standard form for Smal/large no.	MyMaths: for Key Stage 3: Student Book 3B (Mymaths for Ks3) Paperback – 9 Jan 2014	Termly assessment Weekly extended learning Assessing Pupils Progress Response tasks	
Summer 1	Pythagoras' theorem 1 Sequences and terms The general term Surface area/Volume of a prism Ratio and proportion problems	ISBN-10: 0198304668	Topic tests Weekly extended learning Assessing Pupils Progress Response tasks	
Summer 2	Experimental probability Comparing theoretical and experimental probabilities		End of year Exam Weekly extended learning Assessing Pupils Progress	

Maths Set 3	Topic/focus	Resources	Assessment	Extended Learning Opportunities
Autumn 1	Multiples, factors, divisibility and prime numbers Ordering decimals Area Simplifying expressions. Adding and subtracting fractions 1	Mymaths.co.uk Login:Rokeyby Password:addition	Topic tests Weekly extended learning Assessing Pupils Progress Response tasks	<p>Maths club - Thursday F2 at 3pm English for Maths Tuesday F6 at 3pm Homework club Tuesday to Friday after school Termly literacy homework</p>
Autumn 2	Fractions and decimals Percentage of a quantity Angles and lines Angles in a triangle Properties of triangles	Mrbartonmaths.com  Mangahigh.com  MathsWatchVLE	Termly assessment Weekly extended learning Assessing Pupils Progress Response tasks	
Spring 1	Addition and subtraction Mental multiplication and division Written multiplication and division Estimating and approximating Bar charts	Centre: rokebyschool Login: 'YOUR School login' Password: 'YOUR school Password'	Topic tests Weekly extended learning Assessing Pupils Progress Response tasks	
Spring 2	Reflection, Translation, Rotation and Enlargement Solving equations Indices	MyMaths: for Key Stage 3: Student Book 3A (Mymaths for Ks5) Paperback – 27 Mar 2014	Termly assessment Weekly extended learning Assessing Pupils Progress Response tasks	
Summer 1	Using a protractor Constructing triangles Term-to-term rules Plans and elevations Volume of a cuboid		Topic tests Weekly extended learning Assessing Pupils Progress Response tasks	
Summer 2	Ratio and dividing in a given ratio Shapes made from cuboids Probability	ISBN-10: 019830465X	End of year Exam Weekly extended learning Assessing Pupils Progress	

Science	Topic/focus	Resources	Assessment	Extended Learning Opportunities
Autumn 1	Periodic table, atoms, Equation's and compounds Cellular respiration and gas exchange	Text books- Collins, Exploring science, Chemistry for you Practical equipment	End of unit tests, Recording observations, Writing conclusions, Describing patterns, Investigations	Research Making rhymes/pneumonics Research Extended writing
Autumn 2	Magnetism Drugs and health			Research and presentations Survey Data analysis Questions and explanations
Spring 1	Pure substances and separating mixtures Ratio set proportions			Planning investigations Writing methods Making notes
Spring 2	Sound waves Sin cos & tan graphs trig. functions			Using graphs to draw conclusions Making and explaining models survey
Summer 1	Photosynthesis Ratio of proportions			Writing method Summarising information Writing conclusions Exam practice Interpretation of data
Summer 2	Energy changes and energy transfer formula			Questions and explanations Making notes/summarising Planning investigations

Year 8

<b>French</b>	<b>Topic/focus</b>	<b>Resources</b>	<b>Assessment</b>	<b>Extended Learning Opportunities</b>
Autumn 1	Family and Jobs Where we live House: Region: Weather	Expo 2 Vert Expo 2 Rouge Online resources linked to the text books	Self and Peer assessments End of module assessments	Homework Online – Linguascope and Atantôt
Autumn 2	Leisure activities Sports The perfect tense		Speaking	
Spring 1	Friends/Social activities Shopping/Clothes		Listening/Speaking	
Spring 2	Healthy living Food and drink Eating out		Reading/Writing Dept. moderation	
Summer 1	Countries/ Languages Foreign travels		Listening/Reading	
Summer 2	Future plans Technology and Gadgets		Writing End of Year 8 Exams	

Year 8

<b>Spanish</b>	<b>Topic/focus</b>	<b>Resources</b>	<b>Assessment</b>	<b>Extended Learning Opportunities</b>

Autumn 2	Films/TV/Making plans		Listening test Peer / Self	
Spring 1	Holidays		Speaking test – recorded Peer / Self	
Spring 2	Food		Reading test Peer / Self	
Summer 1	Fashion		Writing test Peer / Self	
Summer 2	Barcelona		Mini – project Peer / Self	

<b>Geography</b>	<b>Topic/focus</b>	<b>Resources</b>	<b>Assessment</b>	<b>Extended Learning Opportunities</b>
Autumn 1	Asia, India and Russia	PowerPoint presentations and activity resources on i-drive. GCSE pod Textbook GCSE Bitesize Show my homework	Exam question practice Extended writing Controlled assessment practice/quiz End of topic test	Research on the NIC's Google Earth to locate Asia, India and Russia. You tube video clips on China's one child policy. Newspapers on flooding
Autumn 2	Asia, India and Russia			
Spring 1	Rivers and flooding			
Spring 2	Rivers and flooding			
Summer 1	Population Dynamics			
Summer 2	Population Dynamics			

History	Topic/focus	Resources	Assessment	Extended Learning Opportunities
Autumn 1	Were the crusades really about religion? Key Skill: Interpretations	PowerPoint presentations and activity resources on i-drive. GCSE pod Textbook GCSE Bitesize Show my homework	Exam question practice Extended writing Controlled assessment practice/quiz End of topic test	Research on the NIC's Google Earth to locate Asia, India and Russia. You tube video clips on China's one child policy. Newspapers on flooding
Autumn 2	Were the crusades really about religion? Key Skill: Interpretations			
Spring 1	Can we trust Olaudah Equiano's account of slavery? Key skill: Using primary sources			
Spring 2	Can we trust Olaudah Equiano's account of slavery? Key skill: Using primary sources			
Summer 1	The British Empire: Did it exploit or mother its colonies? Key Skill: Interpretations			
Summer 2	The British Empire: Did it exploit or mother its colonies? Key Skill: Interpretations			

RE	Topic/focus	Resources	Assessment	Extended Learning Opportunities
Autumn 1	Sacred Texts	PowerPoint lessons on the system ( Folens REflections 1pgs106-122; New Steps in Religious Edu 2 pg 34-)	End of Unit Assessment: Unit would be assessed in accordance with the objectives of the unit	Choose one religion and prepare a beginners guide to their sacred text.
Autumn 2	Denominations & Sects	Resources: New Steps in Religious Edu 3 pg 6-)  PowerPoint lessons on the system AQA Religious studies A- Islam, pages 10-11		To conduct a research into the Great Schism. <a href="http://www.theopedia.com/great-schism">http://www.theopedia.com/great-schism</a> The Protestant Reformation <a href="http://www.theopedia.com/protestant-reformation">http://www.theopedia.com/protestant-reformation</a>
Spring 1	Religious Leaders:	PowerPoint lessons on the system Textbook: Folens RE Reflections 3 pg104-122) <u>Islam A New Approach</u> by Jan Thompson pg 21) (Framework RE 1pgs 21-40)		
Spring 2	Peace and Conflict	PowerPoint lessons on the system		A poster to campaign against war
Summer 1	Religion & Media	PowerPoint lessons on the system		Design an advert to promote religious tolerance
Summer 2	Suffering: Christianity, Buddhism and Islam	PowerPoint lessons on the system Textbook: Christianity in Today's World (second edition)- Religion in focus pages 102-107 Textbook: Islam in today's world (revised edition) – Religion in focus pages 40-46 AQA Religious studies A- Islam, pages 134-135		

Computing	Topic/focus	Resources	Assessment	Extended Learning Opportunities
Autumn 1	E-safety- Viruses, password security and digital footprints	Teach-ict.com Msmilki.com BBC bitesize End of Unit test paper	End of unit test	This scheme of work aims to ensure that students understand the issues related to computer viruses, secure passwords and digital footprints. Data conversion in terms of binary, denary, and hexadecimal.
	Data representation			
Autumn 2	Designing app using Appshed or Appypie	<a href="http://appshed.com/">http://appshed.com/</a> <a href="http://www.appypie.com/">http://www.appypie.com/</a> msmilki.com	Final app matching success criteria	In this unit, pupils will plan, build and publish app about Computer technology. Start small and access advanced features as you gain confidence.
Spring 1	Python programming	msmilki.com Zigzag resources	Maths problems 30 challenges	The scheme of work takes students from the basics of how to open the Python shell, how to run a program and how to write a simple one line program to output text.
Spring 2	Flowchart Pseudocode Sorting and searching algorithms	Bitesize Teach-ict.com Zigzag resources	End of unit test	This scheme of work re-introduces flowcharts, pseudocodes and sorting/searching algorithm including bubble sort and binary search.
Summer 1	Networking	Teach-ict.com msmilki.com	End of unit test	This unit will introduce students to the various types of networks that are commonly available and the advantages and disadvantages of each one.
Summer 2	Python programming using Maths	Teach-ict.com msmilki.com Zigzag resources	challenges to solve maths problems	The scheme of work introduces students to the common mathematical operators used in programming. They learn how to set up numerical variables and use comparison operators. They learn to work with integers, floats and random numbers. By the end of the project they will have written the code for a simple adventure game.

Technology (carousel)	Topic/focus	Resources	Assessment	Extended Learning Opportunities
	<p align="center"><b><u>Creativity</u></b></p> <p>(Photo frames, stationery/phone holder – Research, design and make creative products. Producing a range of creative solutions to daily problems. Developing basic skill, working safely with material, tools and equipment)</p>	Card, patterns, materials and tools and equipment.	Peer and teacher assessment – end of unit test	Research into types of desktop tidy products
	<p align="center"><b><u>Food Technology</u></b></p> <p>(Vegetarian products – Research, design and make a variety of dishes to meet the dietary needs of different types of vegetarians)</p>	Ingredients, tools and equipment – packaging and labelling	Peer and teacher assessment –end of unit test	Research into dietary requirements of different groups
	<p align="center"><b><u>Graphic Design</u></b></p> <p>(Designing a themed CD-Package- Research, design and a make a CD package for the BIMBO music company- working to a design specification - effective use of font, image and colour – safe use of tools and equipment - using the computer Tech. Soft 2D/V2)</p>	Laptops, printers, other graphic tools and equipment- independent learning guides	Peer and teacher assessment – end of unit test	Analysis of existing logo design using (ACCESSFM)
	<p align="center"><b><u>Resistant Materials</u></b></p> <p>(Designing a balancing toy- Research, design and make a balancing toy focusing on metal- Developing basic skill, working safely with material, tools and equipment)</p>	Card, patterns, materials and tools and equipment.	Peer and teacher assessment – end of unit test	Research into Plastic coating and finishes

Year 8

<b>Art</b>	<b>Topic/focus</b>	<b>Resources</b>	<b>Assessment</b>	<b>Extended Learning Opportunities</b>
Autumn 1	Observational studies Pencil studies	Pencil, Shading – tone Watercolour colour painting, oil pastels	Sketchbook – class work and homework mixed	Artists research
Autumn 2	Tonal Variations Evidence variation in materials and technique	Still life, acrylics, colour wheel, texture, charcoal	Technique Understanding of materials	Personal research
Spring 1	Natural World	Painting materials Paper scale increases	Project planning Colour planning	Personal research
Spring 2	Natural World	Working on large scale observations	Planning, personal targets met	Personal research
Summer 1	Natural World	Artists research – development of pen and ink	Presentation of artists research work and personal response	Personal research
Summer 2	Natural World	Large scale final works using mixed media of their sketchbooks studies	Final response and sketchbook support	Personal research

<b>Dance</b>	<b>Topic/focus</b>	<b>Resources</b>	<b>Assessment</b>	<b>Extended Learning Opportunities</b>
Autumn 1	Understanding and learning choreography	Camera + mats + iPad + whiteboards + projector + light board	Filmed - Presentation to class	Afterschool/Lunch Time Dance Club
Autumn 2	Choreography	Camera + mats + iPad + whiteboards + projector + light board	Filmed - Presentation + Performance	Afterschool/Lunch Time Dance Club
Spring 1	Acquiring and developing skills	Camera + mats + iPad + whiteboards + projector + light board	Filmed - Presentation to class	Afterschool/Lunch Time Dance Club
Spring 2	Acquiring and developing skills	Camera + mats + iPad + whiteboards + projector + light board	Filmed - Presentation + Performance	Afterschool/Lunch Time Dance Club
Summer 1	Selecting and applying skills, tactics and compositional ideas	Camera + mats + iPad + whiteboards + projector + light board	Filmed - Presentation to class	Afterschool/Lunch Time Dance Club
Summer 2	Selecting and applying skills, tactics and compositional ideas	Camera.	Filmed - Presentation + Performance	Afterschool/Lunch Time Dance Club

<b>Drama</b>	<b>Topic/focus</b>	<b>Resources</b>	<b>Assessment</b>	<b>Extended Learning Opportunities</b>
Autumn 1	Tribal Ritual and Ceremony	Use of the forms of stimulus (outlined below) to help create devised pieces of theatre	Devised 10 minute piece that incorporates learnt skills and explored stimulus.	Improvisation and self devised pieces Reflective Writing in the form of a Log book The opportunity to create relevant pieces of theatre that reflect upon the psyche of society
Autumn 2	Physical Theatre	Use of the forms of stimulus (outlined below) to help create devised pieces of theatre	Students will present a performance piece that will be marked in accordance with GCSE performance marking scheme	Improvisation and self devised pieces Reflective Writing in the form of a Log book The opportunity to respond to stimulus
Spring 1	Shakespearean Drama	Taming of the Shrew (Shakespeare, W)	Presentation of scenes that have been worked and developed throughout the term.	Development of scenes from script to staging Reflective Writing in the form of a Log book The opportunity to respond to stimulus The opportunity to create relevant pieces of theatre that reflect upon the psyche of society
Spring 2	Realism	The intent to Live The need for words Building a character (Stanislavski) Creating a role (Stanislavski)	Controlled exam that requires a reflective statement on the topic studied.	Development of scenes from script to staging Reflective Writing in the form of a Log book The opportunity to respond to stimulus
Summer 1	Musical Theatre	Wicked, Phantom of the Opera, Aladdin, Beauty and the Beast, Pocahontas	Controlled exam that requires a reflective statement on the topic studied.	The opportunity to respond to stimulus Reflective Writing in the form of a Log book. The opportunity to engage and respond to text
Summer 2	Puppetry	Various video clips of people moving to capture movement in the puppet. .	Devised 10 minute piece that incorporates learnt skills and explored stimulus.	Improvisation and self devised pieces Reflective Writing in the form of a Log book The opportunity to apply genre forms and features to performance. The opportunity to create relevant pieces of theatre that reflect upon the psyche of society

Music	Topic/focus	Resources	Assessment	Extended Learning Opportunities
Autumn 1	Introduction to GarageBand	GarageBand Midi Keyboards Headphones KS3 Workbooks	Lesson Log Interim Hand-In Final Hand In Written Reflection	Weekly Peripatetic Instrumental Lessons (free), Extended Homework Project, Assembly Performances, Festive Concert, Spring Concert and International Evening Performance
