# ROKEBY RECORDER

DARE TO BE THE BEST

## JUNIOR MATHS CHALLENGE WINNERS

The United Kingdom Mathematics Trust (UKMT) Junior Challenge is aimed at students in Years 7 and 8 in England and Wales; S1 and S2 in Scotland; and Year 9 or below in Northern Ireland. It is a great way to test and enhance students' problem solving skills. The challenge involves answering 25 multiple choice questions in an hour. You lose 1 mark for each incorrect answer to questions 16-20 and 2 marks for each incorrect answer to questions 21-25.

A group of students were selected to take part in this year's UK Junior mathematical challenge and we are very proud to an-

nounce that certificates were awarded to a total of 15 students. Big congratulations to Donatas (8K) and Isabah (8R) who both won a gold certificate; Jheels (8E), Leo (8E), Zakariya (8O), and Svetlin (8Y) who each won a silver certificate and Taylor (8O), Idris (8Y), Jahzion (8K), Farhan (8Y), Habeeb (8E), Hassan (7E), Aldas (7O), Soyad (7B) and Nair Mahdy (7O) who all won bronze certificate's. A special mention must also go to Donatas (8K) who has been invited to participate in a follow-on competition known as the 'Kangaroo Challenge' to be held on Tuesday, 13th of June. We wish him luck!

## Borough Athletics Competition

On Wednesday, 17<sup>th</sup> May, the annual borough athletics took place at the Terence McMillan stadium. The day promised to be very exciting with Rokeby entering a very strong field event team. The weather tried to halt the days events, with many of the field events being cancelled. So our superstars were unable to showcase their talents however, they will have another opportunity on our school's sports day, now taking place on Thursday, 15<sup>th</sup> June. Please note this date has been changed from the original date in the school calendar. Despite the adverse weather conditions all the boys who took part gave it their

## Maths Corner

Why not test yourself and have a go at these challenging questions!

1. The distance between Exeter and London is 175 miles. Sam left Exeter at 10:00 on Tuesday for London. Morgan left London for Exeter at 13:00 the same day. They travelled on the same road. Up to the same time when they met, Sam's average speed was 25 miles per hour, and Morgan's average speed was 35 miles an hour.

**At what time did Sam and Morgan meet?**

A. 17:00    B. 15:55    C. 15:30    D. 15:00  
E. 14:40

2. In the window of Bradley's Bicycle Bazaar there are some unicycles, some bicycles and some tricycles. Laura sees that there are seven saddles in total, thirteen wheels in total and more bicycles than tricycles.

**How many unicycles are in the window?**
