

Design Technology Teacher with a TLR 2A to lead on an Aspect of Technology

Salary: Inner London Pay Scale + TLR 2A

**Rokeby School
A Mathematics and Languages School
London Borough of Newham**

Headteacher: Ms Charlotte Robinson

Required for April or September 2020, a Design Technology teacher, with specialisms in Resistant Materials & Graphics, to work within the Design Technology department in this school for 11 – 16 year old boys in east London. The post has a TLR 2A responsibility point for an aspect of technology (to be decided on appointment).

At Rokeby it is our aim to get the best out of every student, because of this we put teaching and learning at the centre of all aspects of our work. Our vision is based upon clear and concise values: Respect, Success, Passion for Learning, Personal Challenge and Harmony. In working towards instilling these values in every student we strive to provide a safe, healthy, stimulating and exciting environment for all. Our students are our greatest asset. They are motivated, articulate young men who deserve the best that we can offer them.

We are keen to appoint dedicated colleagues who are eager to support our students to achieve in all aspects of their school life and who want to be key contributors to our school's success.

The school is committed to safeguarding and promoting the welfare of children and young people and expect all staff and volunteers to share this commitment. The successful applicant will need a full DBS (Disclosure and Barring Service) check, which can be applied for once a job offer is made.

Further details and an application form can be downloaded from the TES website, or Rokeby's website <https://rokeby.newham.sch.uk/about-us/vacancies/>

Applications must be received by midday on Monday 23rd March 2020. Applications will be considered as they are received, so early applications are encouraged, and interviews will take place on a rolling basis.
