18th March 2020

Dear Parents,

CORONAVIRUS UPDATE

This letter is to update you on our current response to the Coronavirus situation:

Your child's safety and welfare remains our highest priority. We have already taken steps to minimise contact in large groups, and all students who are coughing or who have fever are being kept at home.

Please remember that the government guidance is now for households to self-isolate for a fortnight if anyone living in the household has a cough which doesn't go away or a high temperature.

Due to staff absence, we will no longer be able to operate school for all year groups. For the next two days we are planning to operate as follows:

Thursday 19 March	Years 7 and 8 in school
	Years 9, 10 and 11 remote working at home
Friday 20 March	Years 7 and 8 in school
	Years 9, 10 and 11 remote working at home

If the situation changes we will of course update you via email, text and website.

Yours sincerely,

Charlotte Robinson

Headteacher
