10	<p>Powerpoints on the class' current topic (Physics Paper 1) will be uploaded by their teacher to Google Classroom.</p> <p>Students should make notes in their exercise books of the key points. Worksheets to fill in on these topics will also be uploaded to Google Classroom and these can be submitted online. Practice exam questions and quizzes will also be uploaded to Google Classroom for students to complete and submit online. Homework will be set on ActiveLearn as usual. Students may be directed to other resources such as BBC Bitesize or Youtube. If you do not have your ActiveLearn username or password then you can message me on Google Classroom, Showmyhomework or email me at Martha.bonell@rokeby.newham.sch.uk</p>

11

Powerpoints from the last 2 years of study will be uploaded by their teacher to Google Classroom.

Students should go over and recap all of the work they have done.

Worksheets to fill in on these topics will also be uploaded to Google Classroom and these can be submitted online.

Practice exam questions and quizzes will also be uploaded to Google Classroom for students to complete and submit online.

Work will also be available on Seneca (Triple Science)/ActiveLearn(Combined Science) as usual.

Additionally, there will be some optional 'preparing for A-levels' work uploaded if any student is planning on taking, Biology, Chemistry or Physics A-level and wants to be suitably prepared.

If you do not have your ActiveLearn username or password then you can message me on Google Classroom, Showmyhomework or email me at
