Click on each link in Google Classroom to experience the acts.</p> <p>Please check SMH for Google Classroom Codes</p>

**11**

**Unit 4: Introducing Music Composition**

Task: Create four effective and contrasting musical ideas in response to a compositional brief that could form the basis for a composition, showing the appropriate application of at least two different starting points.

Make sure you record in perfect time with the beat and quantize where necessary.

All resources can be found in Google Classroom
