We are again looking at the death of George Floyd and the Black Lives Matter movement. This week your task is to complete a fact sheet based on questions I have asked on the attached (Show My Homework) PDF document. Find the answers to those questions and create a fact sheet with images, headlines and other relevant information.

Once you have done this, e-mail it to me at omer.bashir@rokeby.newham.sch.uk as I plan to make a display with your factsheets. Please ensure you have tried your best to make them look colourful and interesting so that I may use them for the display.

Furthermore, if you have access to a Netflix account, please watch the 1.5 hour documentary called the '13th'. It looks at racial inequality a lot deeper and why racism still exists in USA. I would highly recommend you watch this as it really does educate you on the matter.
